Todd Durboraw • hello@toddbot.design
1602 E Garfield St. Apt D • Seattle, Wa 98112 (360)-731-8926

Figuring out how things work keeps me up at night. The transition between the overarching concepts that lead to the nitty-gritty details is where my biggest assets live. Systematic, procedural, and creative. The thrill I get when a bunch of processes turns into a product that convinces me keeps me glued to what I'm doing.

Software

Adobe Creative Suite
HTML, CSS, JavaScript, CodeKit
Custom WordPress, Squarespace Developer
Invision, Sketch
Cinema 4d, Unity 3d

Skills

Meets tight deadlines
Self-motivated and driven
Quickly learns new software and workflows
